

Winter Share Signup Form 2010

Sign up now for our popular winter share program. Make sure your family gets quality organic vegetables and fruit throughout the winter and early spring, and save money too!

How it works:

- Shares consist of both vegetables and fruit.
- All produce is Certified Organic, and is ordered through Charlie's Produce Organics, a wholesale broker.
- Quantities: vegetables are about the same as a Regular CSA share, and the fruit is a little less than the summer fruit shares.
- Share cost: \$46 per share (fruit and veggies combined) for each week ordered.
- All produce is not seasonal, nor grown in Washington. There is virtually no WA Grown produce available after November, except cold storage apples and pears. We take great care to find out where the organic produce comes from, and stay with US grown products (with the exception of bananas). We buy as many vegetables as we can from local companies such as Farmers Own Co-op.
- Members pay wholesale prices plus a markup of \$12 per share for each week they order. The markup covers labor for paperwork, ordering, and packing shares, and leaves us with approx. \$6 profit per share. This money helps support our regular season CSA project. Savings to members are between 20-30% over retail cost.

How to participate:

You can sign up from month to month. We provide signup forms every month. You do not have to get a share every week, but can choose the dates you want.

Distribution days are WED/THURS or FRI/SAT, just like the CSA shares. Pickup hours start at 11:00 am, Wed and Thurs for Wed shares, and 11:00 am Fri and Sat for Fri shares. During distribution days, the store is open continuously (no staff-self service) so you can access your share even in the evenings. All produce is pre-bagged: one bag of vegetable plus one bag of fruit for each member.

How to order:

Fill out the order form. You can order for just one month or do two months at a time. Pay attention to the deadline! This date is the date I need to have the order form and payment in my hand. For convenience, I am happy to accept post-dated checks or separate checks for each month.
